

DISTRICT COUNCILLOR'S REPORT
March 2026

Cabinet Approvals:

I did not attend Cabinet as I was on leave.

Full Council Decisions:

3 hours was taken to approve the Budget which will rise everyone's Council Tax.

Coastal Issues

Coastwise Workshops will re-commence in Overstrand and Trimmingham – reports will be given next month.

Ward Issues:

The application for the Forest Park Footpath Extension is very likely to come before the Development Committee on 16th April. There are still some issues to resolve, but I am fairly optimistic that this will happen.
